CAREER OPPORTUNITY

Actuarial Assistant/Actuary

Open opportunity for a credentialed actuary or actuarial assistant interested in building a career as a regulatory actuary specializing in life and health insurance, serving the citizens of Missouri, and protecting policyholders through actuarially related tasks associated with the analysis and examination of insurance companies.

Screening to begin on June 15, 2015

Position Details

This actuarial position is responsible for the implementation of key solvency modernization initiatives such as Principle-Based Reserving (PBR) and Own Risk and Solvency Assessment (ORSA). This position also provides actuarial assistance as it relates to life and health policy form filing and rate reviews and actuarial aspects of market conduct examinations.

Qualifications

Two years' experience in actuarial-related work and graduation from a four-year college or university with specialization in mathematics, statistics, actuarial science, or related field. Applicants must have passed at least two actuarial exams.

**Salary Commensurate with
